## PREMIERE COMBINATION BENCH AND PIPE VISES

- 65,000 PSI ductile castings
- 70% stronger than the competitive u-shaped styles
- Sealed construction
- Straight line pull power tunnel design
- Precision fit slide bar to 0.003"
- Replaceable serrated steel jaws
- Replaceable pipe jaws
- Large anvil
- 360° swivel base with dual lock downs and 4 point mounting holes
- Lifetime warranty

## MULTI-JAW ROTATING BENCH VISES

- Probably the most versatile vise you will ever own
- Vise swivels 360° on the base and locks in any position
- Made from FC25 fine grain cast iron
- The jaws rotate 360° and lock in any position
- Trapezoidal-thread lead screw
- Anvil on the vise provides a convenient work surface
- Replaceable hardened steel jaws
- Features parallel jaws, pipe jaws and V-jaws
- Bolt lugs on base for secure mounting

Item #	Capacity	List Price	SALE
9629503	5"	\$529.00	<b>\$476.00</b>
9629504	6"	\$537.00	<b>\$483.00</b>

## MULTI-POSITIONING BALL BENCH VISE

- You can tilt, turn, or rotate the vise; positioning it in multiple planes
- Reversible replacement jaws
- Option 1 serrated jaw faces
- Option 2 smooth faces with "V" grooves for round parts
- Option 3 use one serrated face and one smooth face for odd shaped parts
- 60,000 PSI Ductile iron cast body
- Large anvil

Item #	Size	List Price	SALE
9629773	4"	\$209.00	<b>\$188.10</b>

## COPPER JAW CAPS

- Designed to protect and avoid marring the surface of softer materials or fine workpieces.
- Convert your serrated jaw faces to a smooth surface.
- Palmgren's jaw caps have polished faces and pliable copper extensions for a sure-grip fit on any make of vise.
- These universal jaw facings fit simply by bending back the ears.

## MANUAL LOCKING PLIERS

- Drop forged and hardened jaws
- Rugged teeth profile for durability and toughness
- Spring loaded release lever – releases easily even when tools are firmly locked
- Large diameter rivets provide secure joints delivering durability & robust pliers
- Durable nickel plate finish
- Adjustable locking nut comes with 1/4" hex key drive. This allows for easy pressure adjustment, draws materials together and provides a more controlled release.
- Lifetime warranty
